NOTICE OF TERMINATION OF CORPORATE EXISTENCE

RE: MUSLIM WORLD LEAGUE
ID: 0544370-0

Virginia corporation law provides that the due date for a Domestic corporation to file its annual report each year is the last day of the anniversary month of the date of its Certificate of Incorporation. If the report is not filed before the last day of the fourth month immediately following the due date, the corporation's existence shall be automatically terminated. See Sections 13.1-752 (Stock Corporations) and 13.1-914 (Non Stock Corporations) of the Code of Virginia. According to the Commission's records the above named corporation failed to file its annual report before December 31, 2002, and, consequently, the corporation's existence was automatically terminated as of that date.

Among other things, this termination means that the corporation can no longer lawfully conduct business and its directors are required to liquidate its business affairs. As there may be other consequences resulting from this termination, it is suggested that the corporation, its officers, and directors seek the advice of counsel.

If the corporation wishes to reinstate, it may do so by complying with the applicable statutes. For more information concerning reinstatement, write to:
